

Acceptable Time - Lent

Written by W.J.Pais

Unightly coat of dust surround

green gleam gloss blanketed below

Sunbeams denied their sweeping reach

Dark shadows dominate the flow

Neglected seasons left aside

To hapless circumstances soon

The prodigal bemoans his plight

Acceptable Time - Lent

Written by W.J.Pais

Nostalgic now of father's boon

Deep yearn for liberal breath again

Unslaved from asphyxiated state

Lost days pass by hope gleams anew

Repenting earth for grace awaits

Now is the time acceptable

Heart reconciled to kingdom come

Forgiving Father waits for you

Refresh, renew, return to home...
