I will never forget you my people
I have carved you on the palm of my hand
I will never forget you, I will not leave you orphaned
I will never forget my own.

Does a mother forget her baby?
Or a woman, the child within her womb?
Yet, even if these forget, yes, even if these forget, I will never forget my own.

I will gather you from the nations, I will bring you back into your land, I will sprinke clean water ,I will give you new spirit You'll be mine for ever more.
