Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way. Some times the road seems long my energy is spent Then Lord I think of you and I am given strength Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way.

Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way. Just as you calmed the wind and walked upon the sea Conquer my living Lord, the storms that threaten me. Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way.

Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way. As once you healed the lame and gave sight to the blind Help me when I'm downcast to hold my head up high Walk with me O my Lord, through the darkest night and brightest day Be by my side O Lord, hold my hand and guide me on my way.
