

Words of Apology

Written by W.J.Pais

I need to say sorry for not updating my website as regularly as I used to. Now I am eighty years old, and my eyesight is fading day by day, and it is beyond my control.

I will do as much as I can, as long as I am alive.

Please bear with me, and pray for me. Use all the material on my website, and spread the good news.

Thank you.

Walter Pais.
