

Note: When a pdf page opens, and the right scroll bar is hidden, please RELOAD the page

The exercises in this book are for two different time signatures. A time signature determines, the number of beats in a measure. The 3/4 time, is also called the Waltz time. You see examples of notes in different ranges.

The 2/4 time, has two beats to a measure/bar. The first beat is always accented.

See the notes on a pdf file. The music will be uploaded when ready.
