Music and Words:

Glory to God our Heavenly King
Let our praise fill the firmament
Praise Him all people on earth below
Join Angels' choir adoring His Name.

Voices of worship to Him now raise
Giving Him thanks and praise in one,
Knowing that He is our Mighty God
Lamb who was slain now at His right hand.

Lamb of our God, O Jesus The Christ,
You are the Mighty, Holy One
we plead, receive our most humble prayer
Show us your Love, your life with us share.

Glory and praise we to our God raise
Living in splendor with His Son
One with the Spirit the Holy One
Laud without ceasing our Gracious King

(adaptation of Gloria in excelsis Deo)
