Colors of Day dawn into the mind
The sun has come up, the night is behind
Go down in the city into the street
And let's give the message to the people we meet.

Chorus

**So light up the fire, let the flame burn
Open the door let Jesus return,
Take seeds of His Spirit, let the fruit grow
Tell the people of Jesus let His love show.**

Go through the park, or into the town
The sun still shines on, it never goes down
The light of the world is risen again
The people of darkness are needing a friend.

Open your eyes, look into the sky
The darkness has come the Sun come to die
The evening draws on, the sun disappears
But Jesus is living and His Spirit is near.
